The plaintiffs herein, by their attorneys, Hill Rivkins LLP, complaining of the above
named defendant, allege upon information and belief:

FIRST: This is an admiralty and maritime claim within the meaning of Rule 9(h)
of the Federal Rules of Civil Procedure.

SECOND: At and during all times hereinafter mentioned, plaintiffs had and now have
the legal status and principal offices and places of business stated in Attachments A through K
hereto annexed and by this reference made a part hereof. Plaintiffs are the owners, shippers,
consignees and/or underwriters of certain cargoes laden aboard the vessel M/V “MSC
FLAMINIA”, which may have been partially or totally damaged or who have been called upon
by the vessel interests to guarantee salvage claims and General Average expenses which may be
assessed if said cargo has not been totally destroyed.

THIRD: At and during all the times hereinafter mentioned, defendant,
Mediterranean Shipping Company S.A., (hereinafter “MSC”) was and now is a corporation duly
organized and existing under the laws of Switzerland with a place of business c/o Mediterranean

Shipping Company (USA), Inc., 420 Fifth Avenue, New York, New York 10018 and was and now is engaged in business as a common carrier of merchandise by water for hire, and operated, chartered and controlled the vessel, M/V "MSC FLAMINIA", which operates in regularly scheduled liner service between ports of the United States and Europe.

FOURTH: On or about the dates and at the ports of shipment stated in Attachments A through K, there was delivered to MSC in good order and condition the shipments described in Attachments A through K, which MSC received, accepted and agreed to transport for certain consideration to the ports of destination stated in Attachments A through K.

FIFTH: Since then, the cargoes have not been delivered in the same good order and condition in which they were received and plaintiffs have been called upon by the salvors and the vessel interests to guarantee salvage claims and General Average expenses.

SIXTH: In addition, the cargoes have not been delivered promptly at destination and have been allowed to sustain damage and deterioration by being improperly detained at the port of Wilhelmshaven, Germany.

SEVENTH: MSC, by reason of the premises, breached its duties to the plaintiffs as a common carrier by water for hire and was otherwise at fault.

EIGHTH: Plaintiffs were the shippers, consignees, insurers or owners or otherwise had a proprietary interest of and in the cargoes as described in Attachments A through K, and bring this action on their own behalf and, as agents and trustees, on behalf of and for the interest of all parties who may be or become interested in the said shipment, as their respective interests may ultimately appear, and plaintiffs are entitled to maintain this action.

NINTH: Plaintiffs have duly performed all duties and obligations on their part to be performed.

TENTH: By reason of the premises, plaintiffs have sustained damages as nearly as same can now be estimated, no part of which has been paid, although duly demanded in the amount of approximately \$ 35,934,399.21 including salvage and General Average expenses.

W H E R E F O R E, plaintiffs pray:

1. That process in due form of law according to the practice of this Court may issue against MSC.
2. That if MSC cannot be found within this District, that all of its property within this District be attached in the sum set forth in the complaint, with interest and costs.
3. That a decree may be entered in favor of plaintiffs against MSC for the amount of plaintiffs' damages, together with interest and costs.
4. Plaintiffs pray for such other, further and different relief as to this Court may seem just and proper in the premises.
